The diagram illustrates the 'ORDER TO DELIVERY LEAD TIME' process on a textured, light brown background. A solid blue line connects three circular nodes. The first node is labeled 'Order Lead Time', the middle node is labeled 'Production Lead Time', and the final node is labeled 'Delivery Lead Time'. Dashed blue lines extend from the 'Order Lead Time' and 'Production Lead Time' nodes towards the top left. Two blue pushpins are shown: one is pinned to the 'Delivery Lead Time' node, and the other is lying on the surface to the right. The overall title 'ORDER TO DELIVERY LEAD TIME' is written in large, bold, blue capital letters at the top left of the diagram.
